

Slay All Day

ONLINE DATING STORIES

Media Kit 2023

ABOUT

Slay All Day is a new platform and destination dedicated to sharing funny, sometimes sad and oftentimes outrageous online dating stories from the perspective of women.

There's a rampant misconception that women over 50 have a reduced libido and lacking sexual desire. This couldn't be further from the truth.

Whether you're single and looking for love, or in a relationship and looking for a good laugh, Slay All Day has something for everyone. With real-life anecdotes and relatable experiences, this website is a place for women to come together and bond over the ups and downs of modern dating.
